

2008 Texas Tree Climbing Championships
Pre-Competition Work Shop

Advanced Climbing Techniques & How to Become a Certified Tree Worker

April 3, 2008 9:00 am
Trinity Park
2401 University Dr.
Ft. Worth, TX 76107

The workshop will provide information on how to become an ISA Certified Tree Worker (CTW) and advanced climbing techniques.

Topics will include how to apply for Tree Worker Certification, necessary training and testing information. The climbing techniques will be geared toward day to day climbing, details for passing the CTW climbing test and tips to help you compete in the Tree Climbing Championships.
