Aerial Rescue Workshop

This one-day program is designed to introduce all tree care personnel in the latest in Aerial Rescue concepts, emergency preparedness, aerial rescue techniques, aerial rescue protocol and initializing the Emergency Response System. This comprehensive aerial rescue training will aid in fulfilling aerial rescue training requirements mandated by ANSI Z133.1

Who should attend?

Any personnel involved in tree care operations: Private Arborists, Parks and Public Works personnel, groundskeepers, and TCC/Certified Tree Worker candidates interested in fulfilling Aerial Rescue requirements.

Instructor: Guy Leblanc

Mr. LeBlanc has proven to be the authority in tree care training in the southwest for the arboricultural industry. His training experience and hands-on approach to teaching ensure quality instruction for all those who attend.

Currently the owner of Arbor Vitae Tree Care of Austin Mr. LeBlanc has over 30 years experience in the field of Arboriculture.

Endorsements include:

ISA Certified Arborist,

TCIA Certified Tree Care Safety Professional,

Former Texas Tree Climbing Champion

Former Head Judge – Aerial Rescue Event - ISA

International Tree Climbing Competition.
